Awards and more!

This newsletter is a special one. For the first time we introduce awards for our Ruling House Communities as we assess the performance levels of Ruling House Communities. We do address other things such as STATERs for other Xtra Curricular Activities, League Matches, SHIELD Matches,

by **Seyi Opanubi** on April 16

Plate Awards

Our awards were split into three types. Firstly we awarded the Ruling House Communities (RHC). Awards were based on training attendance by Ruling House Community (RHC) Members. Ruling House Communities (RHC) are fundamentally responsible for ensuring time is set aside each week numbering 45 to 60 minutes for Ruling House Community (RHC) Members to participate in training. It was also determinable by participation in Online Training on SHIZZLE. Some RHCs did not miss a week of training other than during holidays. Other RHCs hardly set-aside a single week for training. We awarded Plates for leading Ruling House Prim Community, leading Ruling House Sec Community and leading Ruling House Community,

Shields

Secondly we awarded RHC Coaches and Heads of Co Curricular Activities. Awards were based on their active participation in a particular school year or over a series of school years in training sessions and matches and coordination of RHC Members and communication with the ARS. We awarded Shields for accomplishments in a school year of note and Shields for a series of years of support and participation.

Jerseys

Again we awarded RHC Coaches and Heads of Co Curricular Activities, but this time it was for their roles in promoting the ARS with the RHC Members. These awards are in the way of personalised RHC Jerseys.

Newly available RHCs

We have lost several RHCs going forward. They will be losing their status as Ruling Communities in the ARS. Going forward Corona Lekki has lost their status as the Blue Jedis, Corona VI have lost their status as the White Jedi's VI and British International School have lost their status as Barbarians. Schools on our waiting list shall be permitted to trial for these vacant Ruling House Communities. We wish these schools and their RHC Members the best going forward. Some of these RHC Members are still active on our online platform.

SHIELD Match

In order to recreate the competitiveness of league matches within the RHC we have created SHIELD Matches. We have grouped the RHC Members and each group is called a SHIELD. The SHIELD is made up of RHC Members across the categories, hence you will observe a SHIELD at Sec RHC consists of Mixed Tag, Senior Boys and Senior Girls and Prim RHC consists of Members from year 4-6.

Each RHC consists of four SHIELDS, namely:

1. Warrior SHIELD
2. Emperor SHIELD
3. Constructor SHIELD
4. Power Steel SHIELD

Each SHIELD mentioned above has its own emblem. See below for emblem attached to each SHIELD

We have also produced a kit for each SHIELD. See Kit below. RHC Members must bring their kit to all training sessions and train in that kit.

Training sessions shall be broken up into SHIELDS and every once in a while we will have games between the SHIELDS within a training session and these will be known as SHIELD Matches. See image below of some SHIELD matches held thus far.

ARS Colloquium

ARS Colloquium is the equivalent of BBC Hardtalk and Oxford Union combined for Sec RHC. It is formatted on the Oxford Union and like it, it invites personalities that are making current news to answer hard hitting questions about their area of focus. ARS Colloquium is made up of RHC Members but they need not be Rugby players.

They spend time researching the topics to be discussed with the guest and act as the panel asking questions or simply observing. In this instance all all the RHC will participate together and there shall be equal participation from all RHC.

Participants earn STATERS from their participation. For more information on STATERS please go to staters.net

We shall have physical and virtual events dependent upon the availability of guest speakers. Topics shall cut across, Art, Business, Politics, Economics and Technology

BBC Hardtalk: In-depth interviews with hard-hitting questions and sensitive topics being covered as famous personalities from all walks of life. <https://www.bbc.co.uk/programmes/n13xtmdc>

Oxford Union: The Oxford Union Society, commonly referred to simply as the Oxford Union, is a debating society in the city of Oxford, England, whose membership is drawn primarily from the University of Oxford. <https://oxford-union.org>

Masked End of Year Dinner

We are approaching the end of the year and soon our seniors at Prim and Sec will be graduating. It is customary to have Dinners at Rugby Schools and hence it is no surprise that we shall be hosting **Sec RHC members** that are graduating at a Masked theme Dinner.

Attendance is open to:

1. Couples
2. Ticket holders

Tickets are only available at the Hangout Mall and payable in STATERs exclusively. Tickets have to be purchased as a couple.

10 tickets shall be allotted to each Sec RHC and each ticket admits two (male and female). In total there shall be 40 tickets and since each ticket admits two we are expecting to host 80 in total, 40 girls and 40 boys from across the RHCs.

Date:

Time: 14:00 - 19:00

Venue: GRA Ikeja

Ticket Price: 500 STATERs
